Southern Federal University  
105/42 B.Sadovaya, Rostov-on-Don

To a prospective student

## MA in Transnational Relations: Russia, Asia, and Europe

Global Business is impossible without cross-cultural competences. Experts in transnational relations help to understand and communicate long-standing conflicts complicating international business. As an expert in transnational relations, you could pursue a rewarding, meaningful profession.

## Master in Transnational Relations: Russia, Asia, and Europe

- ✓ 2 - year program
- ✓ English-taught program
- ✓ In-deep training in Transregional History

### Why our program?

❖ The program equips you with a comprehensive understanding of the theoretical and empirical research methods used in History, Political Studies, and Political Economy. Through teamwork and projects, you will learn to apply your interdisciplinary expertise and acquire the problem solving, project management and presentation skills you will need in your career.

❖ The department is renowned for its achievements in History and International Relations. Current faculty members are active, among others, in the public organizations. The department organizes frequent seminars with international experts from international relations, business and academia. You are strongly encouraged to attend these events.

"The global future needs a brand-new generation of experts" – Oxana Karnaukhova, PhD, Director of the Program

Although an undergraduate degree in economics or history or related disciplines is not a pre-requisite, applicants should have good quantitative skills or possess knowledge of first-year college calculus.

### Admission requirements

A candidate must:

- hold a Bachelor's degree of a University; or a qualification of equivalent standard from this University or another comparable institution accepted for this purpose;
- obtain a portfolio and motivation letter, regarding his/her suitability for the Programme; and
- obtain a TOEFL/IELTS score equal to B1 level if he/she is not from an English teaching university.

### Work paths and future careers

Upon completion of the master's program, you will be equipped to pursue a career as an historian or political analyst in Russia or abroad.

Among the Basic and Special Courses we offer: Applied Research Methods in Humanities and Social Studies, EU-Russia-Asia Relations, Russian Foreign Policy, Global Integrations, Geopolitical Issues of the Black Sea-Caspian Region, Cross-Cultural Management, Global Financial and Economic Development and Risk Assessment, International Business, Negotiation Techniques
